Players were named to the All-Star Baseball Team of the Dixie Youth Major League team on Friday night, July 5th, by coaches of the Major League Teams.

Players named to the All-Star team and their coaches shown are: front row, left to right, Frankie McCormick, Bob Dunnam, Terry Woods, Kim Simmons and Greg Cheatham; second row, left to right, Danny Slough, Bucky Totty, Ken Burks, Earnie Chenault, and Baron Roach; and on the back row, left to right, Coach Jimmy Womack, Kevin Moore, Frankie Tanner, Tom Austin, Larry Kelso, Marvin Johnson, Darrell Schrock, and Coach Dickie Smith.

The first game in the play-offs will be held at Rustburg at 7 p.m., July 19th.

Debbie Edmonds, "Miss Dixie Youth Queen," will be introduced at the Rustburg-Appomattox game.

SSI Program Will Benefit Eligible Persons

Local volunteers in the Central Virginia Planning District are taking part in a nation-wide effort to reach elderly, blind, and disabled persons who may be eligible for monthly federal benefits under a newly enacted law which became effective on January 1 of this year. This new program, called Supplemental Security Income (SSI), will establish a national income floor for the aged, the blind, and the disabled.

The local volunteer effort, Project SSI Alert, will be co-ordinated by James J. H. Price, a member of the faculty of Lynchburg College. The sponsoring agency for the SSI Alert is the Consortium of Lynchburg College, Randolph-Macon Woman's College, and Sweet Briar College. The Project Director of the SSI Alert program, Professor Thomas W. Seaman, a Lynchburg College faculty member, remarked, "Project SSI Alert is a nationwide volunteer campaign to provide information about Supplemental Security Income to people 65 or older, blind, or disabled who may be eligible for monthly payments under this new program administered by the Social Security Administration." Seaman added, "We want to make sure that every eligible person in the Central Virginia area learns about SSI and has an opportunity to apply.

The SSI program will provide for those eligible a basic cash income of at least $146 a month for a single person, and $219 a month for a married couple.

To qualify for SSI, recipients should:

be 65 years old or over, or be blind, or disabled.

receive a retirement income of less than $160 a month if single or less than $239 for a married couple.

earn less than $371 a month if single and not receiving retirement income or less than $514 a month for a married couple.

have savings of less than $1500 if single, or less than $2250 for a married couple.

own no house or a house valued less than $25,000.

Those who work and also receive retirement benefits can qualify to receive SSI, but the amount would be worked out on a case-by-case basis.

The aim of the SSI program is to provide a basic cash income of at least $146 a month for one person and $219 a month for a married couple. "This does not mean that everybody who is eligible will get payments in these amounts," HEW Secretary Caspar W. Weinberger explained. "Some people will get less because they have other money coming in. Others may get more because the States in which they live are adding to the Federal payment."

Even though the SSI program is run by the Social Security Administration, SSI is not the same as Social Security. SSI payments come from general funds; Social Security benefits are paid from contributions of workers, employers, and self-employed people. A person can get **both** Social Security and Supplemental Security Income payments if he is eligible for both programs.

Persons seeking more information about SSI may call the Social Security District office in Lynchburg, 847-8856 or the SSI Alert office at Lynchburg College, 845-9071, Ext. 333. A twenty-four hour answering service is available. The Central Virginia Planning District SSI Alert will continue through August.

In each state, the SSI Alert is co-ordinated through the state agency on aging and is run locally by a consortium of voluntary organizations. Other organizations whose local chapters are involved in the Alert are the National Council on Aging, National Council of Senior Citizens, American Association of Retired Persons, National Retired Teachers Association, National Caucus on the Black Aged, National Association of Retired Federal Employees, and the American Red Cross.

Streams To Be Stocked

Trout stocking operations will take place in fifteen Virginia Counties beginning July 1, 1974 according to Jack Hoffman, Chief of the Game Commission's Fish Division. The streams to be stocked, their county location and the dates of the stocking operation include: July 1st: RUSSELL COUNTY, Big Stony Creek; FEDERICK CO., Cedar Creek. HENRY CO., Smith River. AMHERST CO., South Fork Piny River and Piny River proper. NELSON CO., North Fork Tye River and Tye River. July 2nd: CARROLL CO., Little Reed Island. PATRICK CO., Dan River (below Power House). Scott Co., Stony Creek. LEE CO., Martins Creek. HIGHLAND CO., Bullpasture River, Jackson River, Back Creek. July 3rd: BATH CO., Bullpasture River, Spring Run. BOTETOURT CO., Jennings Creek. SMYTH CO., South Fork Holston River.

Of Interest To Veterans

Families eligible for the Veterans Administration's Civilian Health and Medical Program (CHAMPVA) will soon be receiving in the mail a new VA pamphlet on these health benefits services for dependents and survivors.

The just-published CHAMPVA pamphlet (VA Information Bulleting 13-6) furnishes detailed information on eligibility, medical services, and methods for filing claims.

Copies are available at all VA hospitals, clinics, domiciliaries, and regional offices, at the veterans' assistance centers, nationwide, and at U.S. embassies and consulates overseas.

Requests for the pamphlet should be sent to the nearest VA hospital or regional office, not to the VA Central Office in Washington, D.C.

CHAMPVA provides partial VA payment for the health care of wives and children of veterans who are 100 percent disabled from service-connected causes and for the survivors of those who died of such causes after leaving military service. This does not apply to military retirees and their survivors who are covered under the CHAMPUS program.

Public Notice

NOTICE OF HEARING: The Virginia State Water Control Board will convene a hearing on August 14, 1974, at 7 p.m., at the Central Virginia Community College, Rt. 29 South (Wards Road), Lynchburg, Va., 24502, for the purpose of receiving comments on a Metropolitan/Regional Water Quality Management Plan for the Central Virginia Planning District. The Planning District includes the cities of Bedford and Lynchburg, the counties of Amherst, Appomattox, Bedford, and Campbell, and the towns of Amherst, Appomattox, Altavista, Brookneal, and Pamplin.

In accordance with the State Water Control Law, the Board may adopt comprehensive water quality management plans on an area wide basis. In conjunction with this, when considering proposals for waste treatment facilities, the Board shall ensure that their approval is in accord with the adopted water quality management plan for the area. In order to reflect changing needs of a planning area for which a water quality management plan has been adopted, the plan may be periodically modified and/or amended.

The Metropolitan/Regional Water Quality Management Plan divides the District into smaller study areas and presents alternatives for wastewater and water quality management within these areas. The plan also recommends an alternative for each study area. The purpose of the hearing will be to receive comments on the alternatives presented in the plan and whether or not the recommended alter n a t i v e s should be adopted by the Board as the Metropolitan/Regional Water Quality Management Plan for the Central Virginia Planning District.

A copy of the entire plan is available for inspection. Please contact Mr. W. S. Estes, West Central Regional Office, 3306-A Peters Creek Road, Roanoke, Va. 24019 or the office of the Planning District, 2511 Memorial Avenue, Suite 301, Lynchburg, Va. 24501.

A fact sheet showing service areas and suggested wastewater and water quality management alternatives is available upon request.

Anyone wishing to testify is requested to make his presentation and the originals of any exhibits available for entering into the hearing record. Please address any correspondence or requests for fact sheets to Frank J. Joyce, Bureau of Enforcement, State Water Control Board, P. O. Box 11143, Richmond, Va. 23230.

Please note the hearing date has been changed from July 25, 1974.

In Memoriam

Mozell Jordan Price, whose death occurred July 11, 1971.
I've never seen God
but I know how I feel—
It's people like you who make
Him so real.
It seems that I pass Him
so often each day
In the faces of people
I meet on my way.
I wish I might meet Him
much more than I do.
I would if there were
more people like you.
